Dr Fowler - Thanks for your prompt response yesterday.

However, I have a small change in plans. A close family friend died on Monday morning. His wake is Wednesday evening. Therefore, I will be out on Thursday morning early to help out.

Feel free to sign me up for whatever you need help with on Thursday. I plan to be in Manhattan at 8am on Thursday and will go directly to the Holiday Inn.

See you Thursday,  
Brenda

I have not received any information for volunteering at the welcome table in Manhattan.

What time should I arrive on Wednesday to help out? I think I signed up to sit at the table from 4pm to 9pm.

Please let me know as soon as possible.

Thanks,  
Brenda Klingele

P.S. Margie will be attending on Thursday and Friday.

Brian & Jeremy - Dr. Norm Dillman, KSU, and Dr. Bennett Basore, OSU,  
are trying to set up a Ham radio network between the Holidome and KCI  
for Wed. afternoon, Thur. morning and afternoon, and Sunday morning  
and afternoon.

Jeremy, you might give Dr. Basore a holler and see what that network  
is coming. Are you going to be attending any of the convention?

Jeremy - Thanks for the email. I haven't heard from Margie, but I hope that a delegate from MO-A(k) will attend the Nat. Conv. That will be the first time I will be able to put pressure on them to get you and Brenda on the Advisory Board. Give Margie a call (or call Quinton Bowles, the Assoc. Dean) and see if you can get them motivated.

I am sending this reply to Brian Budke (Local Arrang. Chair) and Eric Dalton (Transportation Chair) and hope they will contact you. If they or KS-A don't contact you and Brenda, you have their email address and can email them.

Presently, Dr. Norm Dillman, KSU, Dr. Bennett Basore, OSU, and myself are trying to set up a Ham Radio link between KCI and the Manhattan Holidome for the Wednesday afternoon and evening, the Thursday morning and afternoon, and the Sunday morning travel periods. This would allow us to keep a real status on bus requirements at both KCI and the Holidome.

Keep in touch. Help me keep Brenda in the loop also.

Dr. Fowler

#### NOTE

UMKC's chapter was a sub-chapter of Mizzou's chapter for many years before being chartered as MO-D. So 'MO-A(k)' refers to the chapter at UMKC.

Heather - Glad to hear from you. I think we are doing okay in our preparation for the Nat. Conv.

Since this came from your ne.ksu.edu address, we probably need to get your vt.edu address on our Nat. Conv. list serve????

Got an Advisory Board meeting in 30 minutes down at JAVA so must go.

Talk to you later.

Jeremy,

The president of the KU chapter, Erin, said they could use your help there at the KCI booth. I'm giving your email address to her. I'm going to let you guys decide what and whose resources are needed there.

Have an excellent week!

Hi Jeremy,

I wrote the president of the KU chapter back at the beginning of the semester asking them to head up the hospitality booth at KCI. I wrote them again today to get an update on the situation. They may be able to use your assistance there. If not, you're welcome to help at the registration table at the Holidome. When I find out how their doing with the hospitality project, I'll let you know where you're most needed. If you want to communicate with the president of the KU chapter, Erin's email address is ehummert@falcon.cc.ukans.edu . Thanks. I'll keep in touch. ,
